Interview Summary

Sir:

An Examiner interview was conducted between the Applicants' representative, Ashok Mannava, and Examiner Nelson on February 26, 2010. The rejection of claims 1, 15, 20, 24, and 27 under 112 second paragraph was discussed. Examiner Nelson agreed to withdraw the rejection because "a plurality of metrics" was recited in each of the claims and thus there is antecedent basis for "the plurality of metrics". Examiner Nelson also agreed to make an Examiner's Amendment to claim 24 to recite a non-transitory computer readable medium in order to overcome the 101 rejection and place the application in condition for allowance.
